Cookie Policy

Cookies Policy

Last updated: July 2022

This Cookies Policy explains what Cookies are and how We use them. You should read this policy so You can understand what type of cookies We use, or the information We collect using Cookies and how that information is used.

Cookies do not typically contain any information that personally identifies a user, but personal information that we store about You may be linked to the information stored in and obtained from Cookies. For further information on how We use, store, and keep your personal data secure, see our Privacy Policy.

We do not store sensitive personal information, such as mailing addresses, account passwords, etc. in the Cookies We use.

Interpretation and Definitions

Interpretation

The words of which the initial letter is capitalized have meanings defined under the following conditions. The following definitions shall have the same meaning regardless of whether they appear in singular or in plural.

Definitions

For the purposes of this Cookies Policy:

- Company (referred to as either "the Company", "We", "Us" or "Our" in this Cookies Policy) refers to Siege FX Limited.
- Cookies means small files that are placed on Your computer, mobile device, or any other device by a website, containing details of your browsing history on that website among its many uses.
- Website refers to SiegeFX, accessible from ⚡Home
- You means the individual accessing or using the Website, or a company, or any legal entity on behalf of which such individual is accessing or using the Website, as applicable.

The use of the Cookies

Type of Cookies We Use
Cookies can be "Persistent" or "Session" Cookies. Persistent Cookies remain on your personal computer or mobile device when You go offline, while Session Cookies are deleted as soon as You close your web browser.

We use both session and persistent Cookies for the purposes set out below:

Necessary / Essential Cookies
Cookies that the site cannot function properly without. This includes cookies for access to secure areas and CSRF security. Please note that Craft's default cookies do not collect any personal or sensitive information. Craft's default cookies do not collect IP addresses. The information they store is not sent to Pixel & Tonic or any 3rd parties.

Name: CraftSessionId
Description: Craft relies on PHP sessions to maintain sessions across web requests. That is done via the PHP session cookie. Craft names that cookie "CraftSessionId" by default, but it can be renamed via the phpSessionId config setting. This cookie will expire as soon as the session expires.
Provider: this site
Expiry: Session

Name: *_identity
Description: When you log into the Control Panel, you will get an authentication cookie used to maintain your authenticated state. The cookie name is prefixed with a long, randomly generated string, followed by _identity. The cookie only stores information necessary to maintain a secure, authenticated session and will only exist for as long as the user is authenticated in Craft.
Provider: this site
Expiry: Persistent

Name: *_username
Description: If you check the "Keep me logged in" option during login, this cookie is used to remember the username for your next authentication.
Provider: this site
Expiry: Persistent

Name: CRAFT_CSRF_TOKEN

Description: Protects us and you as a user against Cross-Site Request Forgery attacks.

Provider: this site

Expiry: Session

Statistical Cookies

Statistic cookies help us understand how visitors interact with websites by collecting and reporting information anonymously.

Name: _ga

Description: Google Analytics cookie used for gathering website statistics and audience data.

Provider: Google

Expiry: Persistent

Name: siegefx-_zldt

Description: Used for tracking within Zoho CRM.

Provider: Zoho

Expiry: Persistent

Name: siegefx-_zldp

Description: Used for tracking within Zoho CRM.

Provider: Zoho

Expiry: Persistent

Your Choices Regarding Cookies

If You prefer to avoid the use of Cookies on the Website, first You must disable the use of Cookies in your browser and then delete the Cookies saved in your browser associated with this website. You may use this option for preventing the use of Cookies at any time. Alternatively you can select this option when first logging into the website.

If You do not accept Our Cookies, You may experience some inconvenience in your use of the Website and some features may not function properly.

If You'd like to delete Cookies or instruct your web browser to delete or refuse Cookies, please visit the help pages of your web browser.
